

Class: _____ Grade: _____

Team leader: _____

Inventor Challenge

From October 19th - 23rd, visit each special class. Ms. Alston, Ms. Hagedorn, Ms. Liu, Ms. Noblin, and Ms. Rhodes will let you know how you can find the answer to the inventor's question. The team leader is responsible for taking the challenge to each class and for writing the answers on the sheet. Turn in the completed form and everyone will receive 15 STEM points.

Art: Who was an artist and inventor? He painted the Mona Lisa and came up with the idea of a calculator. Ms. Hagedorn will direct you to the clue.

Media Center: Who invented the printing press that allowed people to print books? Ms. Alston will direct you to the clue.

Music: Who invented the light bulb and glass harmonica? Ms. Liu will direct you to the clue.

P.E.: Who invented basketball? Ms. Noblin will direct you to the clue.

Technology: Who is considered to be the father of the computer? Ms. Rhodes or your homeroom teacher will direct you to the clue.

Good luck and have fun!
